

COMPANY MISSION

„Common problems – innovative solution“

TARGO PROMOTION GROUP company mission is to offer and provide excellent products, assistance and services on the „tailor made“ 3D advertising, sales promotion and special events field.

Thanks to highly skilled and motivated team of specialists our company is capable of producing professional, quality and, above all, complex services in wide range of our activities.

Our values

Since we know that our best reference is our satisfied client, we follow these company values:

- Professionalism
- Dynamism
- Creativity
- Responsibility
- Flexibility
- Complexity

We are fond of solving the problems of our clients, whom we give the best we can do in the sales promotion.

We strive for to be modern, creative, reliable, pro-active, flexible and well organized in all countries we operate in. We always want Targo Promotion to be the best, because we know, that a satisfied client is the best reference.

Our vision

Our specialized background, professional activities, rich archive and our own „know-how“ represent the highest predispositions for performing all our activities not only in outstanding quality, fidelity and in accordance with all values that the company TARGO PROMOTION GROUP follows, but primarily help us to fulfil our vision that is the ambition and intention to be the best choice for our business partners and the way towards prosperity of our current as well as future clients.

Our goal is Prosperity of our clients, which is the base of our Prosperity
